

Training Facility in Fort Zancudo

How to install ?

Singleplayer :

- 1) drag and drop the folders into your modded dlc folder (GTAV>mods>update>x64>dlcpack)
- 2) next navigate to your dlclist.xml located in GTAV>mods>update>update.rpf>common>data)
- 3) once inside of the dlclist.xml scroll to the bottom and enter "dlcpacks:/"foldername"/"

FiveM :

- 1) Drag and drop the folder into you fivem resources
- 2) add "start (folder name)" in your server.cfg
